

RICK FINK
SINGER
SONGWRITER
AND OTHER STUFF

Rick Fink was the founding member and primary singer/songwriter for the Gas House Gorillas. He is now enjoying going it alone as a solo performer.

Rick is an amazingly prolific songwriter, a superb singer, musician and a natural performer. Sometimes performing with just a guitar (or ukulele) and sometimes providing his own backbeat with his suitcase drum.

Crowd interaction and participation are always a huge part of a Rick Fink performance! Houses and backyards have also become some of his favorite venues. Rick will go anywhere!

Past performances include:

- Big Bend Blues Bash - Pomeroy, Ohio
- Curtains - Avenel, NJ
- Duffy's - Lincoln, Nebraska
- Frantic Frets Event - Milton, Delaware
- Newton Theater - Newton, NJ
- House and backyard concerts in Brooklyn, New Jersey, Illinois, Michigan & Pennsylvania.
- Bowery Ballroom - New York, NY
- Salt Gastropub - Stanhope, NJ

"Rick Fink played a private party and a house concert at my house, and in both cases put smiles on the faces of the attendees, and got people up and dancing. They clearly loved his songs, as I do too. His catchy music was playing in the "jukebox in my head" for days afterward."

Molly Lenz
Molly's House Concerts - Lincolnwood, IL

"Rick Fink recently performed for a benefit event for our nonprofit organization, Music Happens Project. He kicked off the event by getting everyone singing and moving around with his excellent song selection, which included his catchy original music. Lots of compliments from our attendees and they loved his punk-Americana sound and said he was very entertaining."

Mary Frantic
FRANTIC FRETS MUSIC & ANTIQUES - Milton, DE
